Arkansas Virtual Academy will hire, train, promote, compensate, and administer all employment practices and benefits without regard to race, sex, pregnancy, childbirth, religion, marital status, age, national origin, disability, veteran status, or any other category protected by federal, state, or local laws.

Arkansas Virtual Academy fully supports the Americans with Disabilities Act and will reasonably accommodate disabled employees and applicants who can perform the essential functions of a job for which they are qualified, with or without accommodation, unless undue hardship to ARVA exists.

Additionally, it is expected that ARVA employs dedicate the hours of 8 am to 4 pm solely to the work of Arkansas Virtual Academy. Any secondary employment should be voluntarily revealed to the grade-level administrator and should not interfere with these hours or the

Employment Agreement Renewal and Non-Renewal

Arkansas Virtual Academy is an open-enrollment charter school and was granted a waiver from teacher contracts and Teacher Fair Dismissal Act. The school utilizes at-will employment agreements. Employment agreements can be terminated at any time by either party.

Agreements are approved by the Board of Directors as needed based on student enrollment. All offers shall expire if not accepted in writing within two weeks from the date issued.

Residency Requirements

Beginning with the 2020-21 school year, Arkansas Virtual Academy employees, who are hired while living within Arkansas, must reside within Arkansas. A current employee moving outside the state should understand that the move may result in non-renewal.

Additionally, all employees will maintain a physical address to work each day.

Personnel Assignment

All Arkansas Virtual Academy employees are subject to assignment at the direction of the Head of School. Assignments will be made considering student needs, area of expertise, and the need for balance across employee caseloads. Reasonable efforts will be made to honor staff preferences in assignments.

Reduction in Work Force

The Arkansas Virtual Academy acknowledges its authority to reduce the workforce (employees) whenever such a reduction is deemed necessary or desirable. The reduction in force may also apply to the number of hours worked by an employee.

Background Check Policy

Arkansas Virtual Academy complies with the set forth by the Arkansas Department of Education. Completing the criminal background check and Child Maltreatment Central Registry check is a condition for initial employment or non-continuous reemployment of any applicant seeking a licensed, non-licensed, or recurring volunteer position. The background check must be completed and approved within 60 days of hire unless an extenuating circumstance is reported to the building-level principal, Support Administrator, Academic Administrator, Business Financial Analyst, or Head of School. Any applicant who is found to have a true report in the Child Maltreatment Central Registry and/or pled guilty or has been found guilty of any offense that will or may result in license revocation will not be considered for employment unless the Arkansas State Board of Education has granted a waiver. In addition to the background check upon initial employment, Arkansas Virtual Academy will rely on periodic educator license renewal for an updated background check on certified employees and will maintain classified employees' background checks for renewal every five years. For more information concerning background checks, please contact the Business Financial Analyst.

Suspension, Termination, and/or Non-Renewal

All employees are engaged through an at-will employment agreement and can be terminated or non-renewed at-will. Following review with the appropriate administrative supervisor, the Head of School will provide the employee with a written notice of the suspension, termination, or non-renewal.

Unused annual leave will be forfeited when employment is terminated with the Arkansas Virtual Academy, either by the ARVA administration or by an employee. Unused sick leave, in accordance with state law, can be rolled to the next employment position if it is with another Arkansas public school entity.

Retiree Accumulated Sick Leave Payout

The district shall compensate retiring employees for accumulated sick leave at the current standard daily substitute rate for the first 45 days accrued. The district will accommodate any days in surplus of 45 up to a total of 90 days at 50% of the current standard daily substitute rate.

Salary and Benefits

The Arkansas Virtual Academy has a waiver from the teacher salary schedule. However, ARVA's compensation package includes a complete benefits package. Benefits include the Arkansas State Public School Employee Insurance with a \$182.87 district match per month. The district also provides long-term disability insurance, Basic Life and Accidental Death, and Dismemberment insurance coverages. Employees also have the option to purchase additional life insurance policies (Voluntary term life & AD&D, Spouse Term Life, Child Term Life). ARVA employees receive a dental package with Delta Dental which pays the employee cost of the dental plan.

The Arkansas Virtual Academy is proud to be an equal-opportunity employer.

Teacher Roles and Responsibilities

Teacher Job Description and Expectations

Arkansas Virtual Academy (ARVA) consists of highly qualified and motivated teachers who work in an innovative environment. Virtual academy teachers are part of a pioneering effort in public education.

Teachers are responsible for ensuring that students achieve mastery of learning objectives. Teachers provide guidance, instruction, and support to manage the learning process and focus on students' individual needs. Teachers monitor student progress through K¹² interactive lessons and daily assessments and work actively with students and parents to advance each child's learning.

Teaching in a virtual academy requires a solid educational background and a firm understanding of how best practices from a regular classroom can be applied to this innovative model. Though the primary focus is on academics, all ARVA teachers must be comfortable using technology and supporting new users of technology. Teachers work primarily from their homes.

As part of their regular teaching responsibilities, teachers will:

Planning and Preparation

- maintain and build relationships with students and upload to Rel8
- schedule and attend the expected number of class connect hours with students as directed by the grade-level administrator

- monitor student attendance and communicate attendance issues with family and administration.
- conduct scheduled conferences with parents/responsible adults to assess each student's progress, learning style, and other academic, social, or developmental issues.
- document all conferences and necessary information in TotalView School (TVS) through notes and template usage in a timely manner.
- use school email accounts, VOIP phone, or TVS to communicate with families.
- hold no fewer than two parent/teacher conferences yearly

Academics

- balance flexibility of the K¹² curriculum with state compliance requirements. Individualize instruction to help each student achieve.

Newrow Staff Expectations and Etiquette

- ☐ 100% Newrow instruction and meetings.
- ☐ Cameras on and face in screen.
- ☐ Dress tastefully and appropriately. Attire should not include images or words biased towards politics, religion, race, etc. The goal of ARARVA aims neutral and comfortable learning environment for every student.
- ☐ Think about your background. Maintain a clean and appropriate background that reflects a professional educational working environment.
- ☐ Remove all distractions from your surroundings, including children, pets, background noises, etc.
- ☐ Attending a video platform session of any kind is prohibited while driving.
- ☐ Prior approval must be granted from your administrator to attend a meeting from a parked vehicle or vehicle passenger seat

Microsoft Teams conferencing and chat must be downloaded to your desktop, open, and utilized throughout the day.

***Any deviations from the norms will need prior approval from your administrator.**

Computer Use

Staff should only use the computer provided by K12 at Stride Inc. Using personal computers is a breach of cyber security for K12 and Arkansas Virtual Academy. Personal computers and/or devices should only be utilized in emergency situations and must be cleared with administration before use.

Class Connect Attendance and Notification of Absence

Class Connect scheduling and teacher attendance to set class session times is mandatory. Failure to complete scheduled classes for three days without proper notification or requested time off will be deemed by the administration as a no call, no show and will be subject for review with potential termination resulting.

If a teacher must cancel a session due, they should immediately follow the steps below:

Teacher Sub Plans

Planned

1. Notify the school administrator of the upcoming date absent.
2. Submit Leave Form and Make Up Plan prior to absent date.
3. Update your calendar invite and send to your building level distribution list. Set an out-of-office reply on your email.
4. Notify your students with the plan for class before the absence.

Unplanned

1. Notify the school administrator via text or zoom as soon as possible.
2. Notify your students of the class cancellation and cancel sessions if able.
3. Update your calendar invite and send to your building level distribution list. Set an out-of-office reply on your email.
4. Submit a Leave Request and Make Up Plan within 24 hours upon return.
5. Schedule your make-up session with your students in the time frame provided.

Additionally, Class Connect schedules should be created with at least a week's advanced notice so that students and learning coaches are aware of schedules. One on one sessions, or sessions requested by students may deem a less-timely notice, but every effort should be made to make students and learning coaches aware of the schedule well in advance.

Co-taught sessions should not be canceled if at least one teacher of the teaching team is available.

Missed teaching hours will need to be made up within the same week.

- If a teacher is absent half a day, the full amount of instructional hours set by the grade level administrator will still be expected
- For every full instructional day missed, teacher must schedule make-up instructional time equal to one half the amount missed

Teacher Licensure Expectations

Teachers are responsible for updating and maintaining a current Arkansas teaching license in their subject area and grade level. Failure to maintain current licensure is a breach of the employee agreement and could result in suspension or termination.

K12 also has a portal to track current licensure statuses. Teachers are responsible for updating and maintaining this portal with their most updated licensure information.

Communication with Families

Ongoing and consistent communication is required between the student, parent, and teacher(s) for many reasons, including school compliancy. A teacher or other staff member may need to address non-attendance, insufficient progress, or other compliancy issues with a learning coach. To establish a record detailing the action plan made with a family, the use of the school's email account and the designated ARVA office phone should be the primary method to communicate official school concerns. Employees should use text only as a last resort to make contact when addressing concerns regarding student or school compliancy. After successful contact has been made, communication should resume through email and phone as previously described.

Texting a learning coach during the school day should only be done when an immediate need arises, for example, the learning coach is to meet the teacher or staff member for a face-to-face meeting or testing and has not arrived, the learning coach sends a text for directions to an outing, a teacher is waiting on a student to begin a class connect session, etc. While texting does engage parents, it should not be involved in any compliancy proceedings. Texting should be used for school business purposes only, not for casual exchange. In the event that texting is used, documentation of the exchange must be noted in the school's system. Providing timely reminders on a regular basis via the school's Facebook page, the learning management system and the ARVA website should help reduce the number of miscellaneous text messaging that may occur.

All written documentation of communication regarding non-compliance or non-attendance must be saved as a note in the TotalView School system.

No employee of ARVA should communicate with students via text messaging. Should any wrongdoing occur, or accidents happen while texting is in use, the school will be held harmless.

Teacher Evaluation and Growth

Arkansas Virtual Academy follows the guidelines laid out in Ark. Code Ann. § 6-17-2801 et seq., as it relates to teacher and leader evaluations under the Teacher Excellence and Support System (TESS). All new employees incoming to the district from another district/state will be placed on a one-year probationary status as outlined under TESS.

A first-year teacher is both a novice and probationary teacher. ARVA may, by a majority vote of its directors, provide for one (1) additional year of probationary status. In addition to Ark. Code Ann. § 6-17-2801 et seq., ARVA administration reserves the right to use data from internal metrics for further evaluation of teacher performance.

ARVA will also use a virtual instruction rubric provided by Stride. Observations can be conducted in any sessions held with students, PLC meetings, IEP meetings, staff meetings, etc.

Teacher Mentoring

First year ARVA teachers will be assigned an ARVA Mentor. This mentor will conduct weekly meetings during the first semester and as needed in semester two. New teachers will also be required to attend a biweekly new teacher meeting. Mentor teachers will submit a monthly contact log to their building level administrator.

Mentor teachers must have at least one year of experience at ARVA and be considered a Level 1 teacher. Teachers interested in becoming a mentor must apply. The administrative team will notify teachers of their selection status.

Teacher Advisory Council

The advisory council exists to provide an important voice for educators in the district's decision-making process, and to provide the HOS with teachers' insights, suggestions, and perspectives on critical educational issues. The TAC will enable better educational and administrative decisions, and, ultimately, lead to greater student learning and success. The council is made up of two general education teachers and 1 special education teacher from each building level.

Applications will be collected and reviewed. Teachers will be notified if selected and will be assigned a three-year rolling term.

Application of Social-Networking Technology

Arkansas Virtual Academy teachers, administrators and staff will follow the policies set forth by the Arkansas Professional Licensure Standards Board (PLSB) described below.

Recommendations and Guidelines Regarding the Educational Applications of Social-Networking Technology Issued by the Arkansas Professional Licensure Standards Board

Increasingly, educators are utilizing social-networking technology tools for professional educational purposes. The Professional Licensure Standards Board, in concert with the Arkansas Education Association, the Arkansas Association of Educational Administrators, and the Arkansas Association for Supervision and Curriculum Development, offers the following cautionary guidelines to assist educators in assuring that their usage of these tools is consistent with the spirit and intent of the Code of Ethics for Arkansas Educators.

- 1) Prior to establishing professional social media accounts, a written explanation of the purpose of the account should be provided to district level administrators for approval. Professional use of social media should be approved by a district-level administrator, or their designee.
- 2) If Districts approve the use of professional social media accounts, parents/guardians should be notified of the purpose and provided an opportunity to “opt out.”
- 3) E-mail and/or social media tools and accounts should be kept separate. Professional accounts should be created and maintained separately for student and/or parent interaction and communications. An authorized administrator or their designee should regularly monitor professional accounts and have full rights to modify the accounts.
- 4) Personal accounts should be for personal use only and should not be used during the school day. School personnel should not add students and/or parents as “friends” or “associates” to personal accounts.
- 5) Use of social media during business/school hours should be on professional accounts and for professional or educational use only.
- 6) Digital correspondence between school personnel, students, or parents should be limited to professional and educational purposes only and be conducted at appropriate times.
- 7) Images, audio, or videos of any school activities or students should not be digitally transmitted or streamed without prior written parental consent and/or must adhere to local district policies.
- 8) District policies should encourage personnel to report inappropriate use of digital and/or social media to appropriate district administrators. Possible ethics violations

may be reported to the Professional Licensure Standards Board utilizing the “Code of Ethics for Arkansas Educators Allegation of Violation” form.

- 9) Districts should orient, educate, and/or provide guidance to students, parents, and staff regarding legal, safe, and ethical use of social media.

Employee Leave Policy

In an effort to achieve a cohesive working environment between ARVA employees, central office staff, ARVA Board of Directors and K¹² Inc., the following policy regarding leave has been established.

Annual Leave

Arkansas Virtual Academy full-time employees receive four (4) paid annual leave days per school year. Part-time employees receive two (2) paid annual leave days per school year. Annual leave time must be taken in half or full day increments. Annual leave will generally not be granted during periods of standardized testing or face-to-face professional development, as well the first and last week of school. Annual leave time does not include approved holidays such as:

Labor Day
Thanksgiving
Winter Break
New Year’s Day
Martin Luther King Day
President’s Day
Spring Break
Memorial Day

If an employee does not participate in scheduled weekly meetings with administrators as expected, one half (1/2) day of leave must be taken. For leave related to professional development, please see the professional development leave policy.

If annual leave time is requested for more than two consecutive days, prior planning and approval must be obtained two weeks in advance to ensure that an extended gap in services to ARVA families does not occur. A “Request for Time Off” form must be submitted to the Academic Administrator or school-level principal, or Parent and Family Engagement Administrator, whichever is appropriate. All other annual leave requests must be received and approved in advance. Extenuating circumstances may not allow for prior notice, however, as much notice as possible should be given for each request. The Academic Administrator or school-level principal will work with each ARVA employee to approve annual leave requests; however, adjustments may be necessary if multiple employees submit leave requests for the same time frame.

During the month of May, no consecutive annual leave days will be approved due to the importance of finishing the year in the strongest way possible.

Annual leave cannot be carried over from one year to the next. Employees will work with the Academic Administrator or school-level principal in scheduling annual leave to ensure that all ARVA students receive the best possible service during absence. Annual leave in June must be requested prior to May 15th.

Once a leave request has been approved by the employee's supervisor and submitted to Business/Operations Analyst that leave request will be entered and cannot be recalled by the employee or supervisor.

Please note that annual days may be used for bereavement.

Professional Development

Professional Development is one of the most important and integral parts of the ARVA environment. These opportunities to meet face to face, grow, and problem solve together are vital and should be considered mandatory. Professional Development days are released long in advance and should be prioritized in scheduling.

If annual leave must be taken, a two-week notice must be provided, or the leave will not be approved, and the day will be taken without pay. Only one annual leave day will be approved yearly for professional development.

If a sick day is requested, a doctor's note is required. If a doctor's note cannot be provided the day will be taken without pay.

Summer Vacation

Arkansas Virtual Academy full-time and part-time employees hired on or before the start date of the second semester will receive the following paid vacation during the summer:

- 1) Four days of vacation during the week celebrating the July 4th holiday. This is equivalent to thirty-two (32) hours for full-time employees and sixteen (16) hours for part-time employees.
- 2) Teachers will be given the opportunity to work on a flex schedule during the summer. This flex time will be available for a minimum of six weeks in the summer surrounding the 4th of July holiday week. Total number of flex days will be determined annually as dictated by the school calendar.

During this flex time, teachers are still completing work tasks such as the completion of summer planning tasks for the coming year, curriculum work, etc. These tasks will be clearly defined with timelines by the grade level administrator. During this flex time it is required that ALL teachers keep their assigned projects moving and that they check email weekly for potential communications or changes.

Some school levels may have the opportunity for stipend summer school teaching opportunities during this time.

Considering the above consecutive days/weeks of granted summer vacation, every effort should be made by ARVA employees to schedule vacations during the summer vacation time period. Requests for extended vacations throughout the year will be reviewed closely and rarely granted.

Sick Leave

Arkansas Virtual Academy full-time employees receive one (1) paid sick day for each month of the employment period. Part-time employees receive one half (1/2) paid sick day for each month of the employment period. In accordance with §6-17-1205 employees can accrue up to ninety (90) days of unused sick leave. Sick leave will be taken in half or full day increments. Sick leave will be prorated based on start dates. Upon departure or dismissal from ARVA, an employee's sick leave can be transferred to another public-school entity upon the employee's written request. If daily expectations cannot be completed due to the illness of an ARVA employee, their child or immediate family member(s), sick leave should be taken.

A "Request for Time Off" form should be submitted within one business day of the illness or use of sick leave. Prior approval, when possible, should be obtained for use of sick leave for extended illness, surgery, etc., to allow for arrangements to be made ensuring coverage of services to ARVA families. Documentation, including doctor's notes, may be required. Once a leave request has been approved by the employee's supervisor and submitted to Business/Operations Analyst that leave request will be entered and cannot be recalled by the employee or supervisor.

Please note that sick days may be used for bereavement.

ARVA employees have an opportunity to contribute and access a sick leave bank. Please see the attached policy in the appendix.

Maternity/Paternity/Adoption Leave

Arkansas Virtual Academy employees must utilize any unused sick leave when a leave of absence is for the purpose of maternity/paternity or adoption, prior to the start date for unpaid leave under Family Medical Leave Act (if the employee qualifies for coverage). During such leave, the employee shall have the option to continue any/all benefits at the group rate, provided appropriate payment is made by the employee as indicated by selected insurance coverage.

Annual leave can be utilized for maternity/paternity or adoption leave; however, it is not required. Arkansas Virtual Academy employees should provide a sixty (60) day notice, if possible, when a leave of absence is for the purpose of maternity/paternity or adoption to allow for arrangements to be made ensuring coverage of services to ARVA families.

It is highly advised that when seeking leave, the employee consults with the benefits company for the best use of prioritization of leave.

ARVA Adventure/Academic/Assist Days

When assigned, ARVA Days provide our employees and families the opportunity to interface and build relationships. Because of the isolated and rare nature of these opportunities, attendance is mandatory. Prior approval must be granted from your building-level administrator or Academic Administrator if sick leave must be taken. A doctor's note may be requested. Annual leave requests for ARVA Days will be closely reviewed and rarely granted.

If attendance to an ARVA Day is not required, sessions must be held for students who did not RSVP.

K8 Celebration/Prom/Graduation

K-8 Teachers

K8 Celebration attendance is required for all K-8 teachers. Annual leave may not be taken, and sick leave requests will be closely reviewed, and further documentation may be requested.

HS Teachers

Attendance is required for graduation and all high school activities, unless otherwise noted by your administrator. Annual leave may not be taken, and sick leave requests will be closely reviewed, and further documentation may be requested.

Leave Without Pay

Guidelines provided under the federal Family Medical Leave Act (FMLA) will be adhered to by the Arkansas Virtual Academy regarding leave without pay (LWOP) for specific reasons. Contact the Business/Operations Analyst for additional information on FMLA. Request for leave without pay outside of FMLA guidelines will be considered on an individual basis with the decision made jointly by the Academic Administrator and the Head of School. All LWOP requests should be submitted four weeks prior to the requested leave period, when possible. The Head of School will provide in writing a decision regarding the request within ten (10) days of the request. Arkansas Virtual Academy employees on LWOP will not be reimbursed for home office expenses such as internet connection, monthly phone bills, etc.

It is highly advised that when seeking leave, the employee consults with the benefits company for the best use of prioritization of leave.

Family and Medical Leave Act (FMLA)

Employees Responsibilities

Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days' notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, a family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting

the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FMLA leave was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

The employee must return a completed Certification of Healthcare Provider form within fifteen (15) calendar days of the request. Failure to provide the required Certification of Healthcare Provider form within the 15 calendar days' notice may result in FMLA coverage being denied until the required certification is provided.

Specific dates (start date and estimated return date) MUST be provided in the Certification of Healthcare Provider form. Statements such as "until further notice," "undetermined," or "until next appointment," etc. will NOT be accepted.

Once FMLA has been exhausted, employee must appeal to the administrator for unpaid continuance and follow ADA accommodation processes.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. PERSONAL NON-FMLA LEAVE OF ABSENCE

Before employees become eligible for Family Medical Leave Act (FMLA), Arkansas Virtual Academy observes the following practices regarding personal time off and job protection. Each situation will be evaluated on a case-by-case basis and a final decision regarding the personal leave of absence will be made between Head of School, the manager, and the employee. This must be approved before submitting a FMLA claim.

1. For the birth or adoption of a child, ARVA allows up to 6 weeks of personal leave for new parents. In the case that a mother has a C-section, ARVA allows up to 8 weeks of personal leave.
2. For other employee medically related leaves of absence, ARVA allows up to 8 weeks of personal time off.

These decisions will also be based on the days of annual and sick leave that is available to the employee. Pay will be granted only for those dates accrued. (Ex: 6 weeks may be taken after childbirth, but if there are only 5 days of leave available, those are the only days where payment will be granted.)

Reimbursement Policy

Reimbursable expenses should be filed within 30 days of incurred expense. Expenses provided 60 days after incurred expense shall not be reimbursed. Finance will review all expenses to determine they are reasonable and necessary. ARVA employees are eligible for the following reimbursable expenses:

In-State Travel

Meals and Incidentals Associated with Overnight Travel

Employees traveling overnight may be paid an amount designed to cover the cost of meals and incidentals (i.e., taxi fare, subway, parking), based on the number of meals per day for which the employee is eligible. For overnight trips, travelers will receive up to \$39 per day for meals and incidentals.

Meals and Incidentals Associated with Non-Overnight Travel

During times when employees are required to work outside of their home office at events such as outings, test administration, parent trainings and professional development, the employee will be reimbursed for meals and incidentals (i.e., taxi fare, subway, parking). Meals and incidentals will be reimbursed up to \$20 per day. Alcoholic beverages and personal entertainment are not allowable expenses.

Itemized receipts are required for all reimbursements and ARVA purchases should be on a separate receipt from personal items. Mixed receipts are not acceptable.

Lodging

In-state lodging: The employee will be fully reimbursed up to \$95, plus tax, per night if travel is over 100 miles from the ARVA employee's home office, unless the responsibilities can be fully accomplished during the normal business day and no overnight stay is required by administration. Otherwise, overnight stay must be pre-approved by the Academic Administrator or Head of School. ARVA employees may be required to share lodging.

Please make every effort possible to find the most economical lodging when traveling on ARVA business. **Receipts are required for all lodging reimbursements. The receipt must show a zero balance.**

An employee must first try to book a room with ARVA's contracted lodging when attending ARVA events, meetings, or conferences within the Little Rock/North Little Rock area. If a room is not available an employee must have approval from their Administrator before booking a room at another location to be reimbursed at the rate stated above. Any room cancelled after the cancellation window will be subject to payment by the staff member.

Out-of-State Travel

Meals and Incidentals Associated with Overnight Travel

Employees traveling overnight may be paid an amount designed to cover the cost of meals and incidentals (i.e., taxi fare, subway, parking), based on the number of meals per day for which the employee is eligible. For overnight trips, travelers will receive up to \$50 per day for meals and incidentals.

Expense Reports

Tips, alcoholic beverages, and personal entertainment are not allowable expenses. Meal delivery fees may not be reimbursable with the exception or prior approval during the state testing period.

Itemized receipts are required for all reimbursements and ARVA purchases should be on a separate receipt from personal items. Mixed receipts are not acceptable.

Airfare

Airfare will be reimbursed for travel to a destination outside of Arkansas and with approval from the Academic Administrator or Head of School. Reservations should be made as far in advance as possible to take advantage of the best possible rates. Administration reserves the right to review flight information to determine if it falls outside the reasonable times and dates for the requested event.

Room rental, parking fees and employee admission fees are covered expenses for ARVA-sponsored outings. Room rental fees that are over \$25 and other miscellaneous expenses should be pre-approved, when possible, by the Parent and Family Engagement Administrator, Academic Administrator or Head of School, as applicable. Expenses for non-ARVA sponsored

outings are not reimbursable. If an ARVA outing is attended voluntarily, you will only be eligible for reimbursement if pre-approved by the grade level administrator.

ARVA Testing Expenses

Expenses incurred that are associated with travel for testing administration are reimbursable expenses. Due to the length of testing, hotel expenses can be direct billed to ARVA for employees who live further than 100 miles from their assigned testing site.

Please follow the outlines steps below for ARVA direct billing.

1. Please keep in mind that our hotel policy allows us to cover \$95 plus tax. If no arrangements can be found for this amount, please let the Business Financial Analyst know the rate you have found and notify the building level administrator.
2. Three to four days prior you will need to request a Credit Card Authorization form and reservation confirmation. Once you have received that, please send it to Reyna Garcia via fax (501-664-4226) or email regarcia@k12.com and it will be filled out and sent back to the hotel.
3. Please reach out to the hotel to confirm that they have received the authorization form.
4. Once you check out, you MUST send a copy of the receipt to the Business Financial Analyst. Hotels do not send those, and they are needed for attachment to our credit card statement.

Please contact the Business Financial Analyst for further information on how to complete the hotel reservation.

Grocery receipts are not acceptable for meal reimbursement unless prior approval is received from the building level principal, Support Administrator, Academic Administrator, or Head of School. The above policies concerning meals and travel apply to testing expenses.

Gift Card Purchases

Purchases made for school purposes utilizing a gift card or EBT card are not reimbursable. Please do not utilize gift cards for school expenditures.

Grievance Procedure

The grievance procedure is a process in which employees can bring workplace problems to supervisors. Before the grievance process begins, the employee needs to address the problem with their immediate supervisor. If the problem has not been resolved to the satisfaction of the complainant through informal discussion with their immediate supervisor, they have the right to file a grievance in accordance with the following procedure. A grievance should be filed within ninety days (90) of the incident(s) in the following manner:

1. Submit a letter to the Business/Operations Analyst to include the following:
 - a. A summary of the complaint, including nature of the complaint, relevant dates and incidents, and information on any informal discussion that may have occurred with the person(s) directly
 - b. Identify the person alleged to be responsible
 - c. Resolution sought
2. If the Business/Operations Analyst is the person the complaint is against, submit the letter to the Head of School.

Within two weeks (10 working days) the Academic Administrator or Head of School (when appropriate) will attempt to resolve the situation by discussion, investigation, or formal meeting(s) between the parties. The Academic Administrator or Head of School (when appropriate) will meet with both parties and offer a resolution. Within ten working days the Academic Administrator, or Head of School (when appropriate) will submit findings and proposed resolution to both parties, with a copy going to the Head of School and the Chair of the ARVA Board. The grievant has five (5) working days to respond to the proposed resolution in writing, either accepting the resolution or rejecting and requesting to move forward with the process. The written response from the grievant should be directed to the Business/Operations Analyst.

If the grievant rejects the proposed resolution and desires to appeal the decision, they must submit a written appeal to the Business/Operations Analyst or Head of School to be provided to the ARVA Board for a hearing at the next regularly scheduled school board meeting unless both parties have agreed to a different date. The hearing will be open or closed at the discretion of the employee. The employee will have no more than ninety (90) minutes to present their concerns and testimony.
