Act 1039 of 2017 Reporting by Arkansas Virtual Academy (Ark. Code Ann. § 6-41-606 (b))

Arkansas Virtual Academy Dyslexia Program 2024-2025

During the 2023-2024 school year, Arkansas Virtual Academy used the evidenced-based, International Dyslexia Association Accredited, and IMSLEC Accredited Program Brainspring. Brainspring Phonics First was used with students in grades K-4, and Brainspring Structures was used with students in grades 5-12. Dyslexia Interventions were administered with fidelity in small group classes to address the deficit areas of students identified as exhibiting the characteristics of dyslexia. UFLI Curriculum was also implemented to cover gaps in Phonics First and Structures.

Number of Students Who Received Dyslexia Intervention 2024-2025

During the 2024-2025 school year, **243** students attending Arkansas Virtual Academy received Dyslexia intervention services from a trained Dyslexia interventionist.
