Dear Learning Coaches,

Thank you for your ongoing partnership and support. I want to share a brief update about our curriculum: our current K–6 reading curriculum is not yet approved by the Arkansas Department of Education, but we are actively working through the approval process. The Right to Read Act and the DESE rules state that we must have an approved curriculum.

Please know that although our curriculum is not yet approved, the materials we use do align with the Arkansas State Standards that all Arkansas schools are required to teach. ARVA does utilize UFLI as a supplemental phonics program to ensure the best possible outcomes for students. We remain committed to ensuring students at ARVA receive the best possible instruction.

Thank you for your understanding and continued trust in our school. If you have questions or would like more information, please reach out to Lindsey Marrs, limarrs@arva.org.
